TOWN WARRANT

To the Inhabitants of the Town of Hooksett in the County of Merrimack in said State, qualified to vote in Town Affairs:

(L. S.)

You are hereby notified to meet at the Town Hall in said Hooksett on Tuesday, the eighth (8th) day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear and act upon the report of the town budget committee.
4. To see if the town will vote to accept the budget in whole or in part.
5. To see if the town will vote to give a discount of two per cent (2%) on all taxes, except poll taxes, paid on or before the fifteenth (15th) day of July.
6. To see if the town will vote to accept all trust funds not before accepted.
7. To see if the town will authorize the selectmen to hire money in anticipation of the 1938 taxes, to be repaid therefrom.
8. To hear the reports of the selectmen, town treasurer, agents, auditors and committees, or other officers heretofore chosen or appointed, and to pass any vote relating thereto.
9. To see if the town will vote to raise one hundred (\$100.00) dollars to be contributed to the funds of George E. Merrill Post No. 37, American Legion, for Memorial day and Armistice day ceremonies. (Petitioned for by B. P. M. Tebo and fourteen others).
10. To see if the town will vote and appropriate the sum of two thousand (\$2,000.00) dollars to fill and grade the old schoolhouse lot and the I. O. O. F. lot. Said I. O. O. F.

lot will be given to the town, provided said lot is filled and graded for park purposes.

11. To see if the town will vote to pay officers of the town eight (8c) cents per mile auto expense, while on duty for town business. (Petitioned for by John L. H. Prince and nine others).

12. To see if the town will vote to raise and appropriate the sum of seven hundred ninety-four (\$794.00) dollars, to lay out, build and maintain a highway to the driveway at the residence of Howard Beadle from the end of present highway at Martin's Ferry, a distance of one thousand and twenty-five (1,025) feet, or to take any action relative thereto. (Petitioned for by Howard S. Beadle and twenty-one others).

13. To see if the citizens of the town will vote to adopt a building code for a district in South Hooksett, extending northerly from the Manchester line on the Daniel Webster Highway, so-called, for a distance of five thousand (5,000) feet and extending easterly from the center line of said highway for a distance of fifteen hundred (1500) feet, and extending westerly from the center line of said highway for a distance of fifteen hundred (1500) feet, said code to have the same provisions as the Manchester Building Code in regard to foundations, roofing, chimneys and distance of buildings from the street. This article calls for no appropriations in line of salary. Any person erecting a building without a permit from the building supervisor, shall be liable to a fine of ten (\$10.00) dollars.

The building supervisor may be one of the selectmen or a competent citizen who will serve without pay, and at any time can turn the job back to one of the selectmen, and said selectman turn the position to another citizen who is willing to serve. (Petitioned for by Oscar Morin and thirty-four others).

14. To see if the town will vote to transfer the one thousand (\$1,000.00) dollars raised in article No. 20 at last town meeting for the improvement of Auburn road, under the direction of the state highway commissioner, to the town road agent for the improvement of said Auburn road from Londonderry turnpike to the Auburn line. (Petitioned for by Thomas Fletcher and thirteen others).

15. To see if the town will vote and appropriate the sum of four hundred (\$400.00) dollars for white pine blister

rust control to be spent in co-operation with the state forestry recreation department.

16. To see if the town will vote to let out the collecting of unpaid dog licenses to bids. (Petitioned for by John F. Clough and twelve others).

17. To see what action, if any, the town will take to accept from the I. O. O. F. the lot of land as a gift, the one the I. O. O. F. Hall stood on prior to the flood; providing the town will vote to raise one thousand (\$1,000.00) dollars, this amount to be used to fill up the hole caused by the ravages of the flood. This will beautify this spot and make a little recreation park of same and remove an eyesore to the town. (Petitioned for by John L. H. Prince and eighteen others).

18. To see if the town will vote for the installation of electric lights on Candia road from Mrs. Welcome's road to the Candia line, and raise money to maintain them. (Petitioned for by Carl R. N. Johnson and twelve others).

19. To see if the town will raise and appropriate a sum of money, not exceeding two thousand (\$2,000.00) dollars for the purpose of purchasing a new truck and equipment. Said truck and equipment for South Hooksett Fire Department No. 2. Purchase to be made by the selectmen and a committee from the fire department. (Petitioned for by Chief Wm. S. Smith and twenty-four others).

20. To see if the town will vote to raise and appropriate a sum of money sufficient to install necessary culverts, and provide suitable ditch drainage for same, on the Hackett Hill Cross road. (Petitioned for by Alphonse Wuytack and nine others).

21. To see if the town will vote to abolish the local police department and let the state police do the work at no cost to the town of Hooksett. (Petitioned for by Napoleon Despina and twelve others).

22. To see if the town will vote to raise and appropriate the sum of twenty-six hundred and forty-six (\$2646.00) dollars as its proportionate share of state aid construction to be expended on the Auburn road; or five hundred twenty-seven dollars and thirty-eight cents (\$527.38), the state to furnish two thousand one hundred and nine dollars and fifty cents (\$2,109.50) making a total of two thousand six hundred and thirty-six dollars and eighty-eight cents

(\$2,636.88) the same to be expended under the direction of the state highway department for class V town road assistance, or take any action relative thereto.

23. To see what action the town will take in regard to real estate taken over by the town for non-payment of taxes.

24. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and thirty-eight.

BURT OTTERSON,
JOSEPH LABBE,
D. EVERETT ALLEN, JR.,

Selectmen of Hooksett.

ADDITION TO TOWN HALL

At the last town meeting it was voted to build an addition to Town Hall consisting of a kitchen, dining hall, and ante room and George W. Robie, R. W. Washburn and Fred N. Mitchell was appointed as a building committee in conjunction with selectmen. Bids were called for and there were three bids received of \$349.00, \$3,400.00 and \$2,416.00. Leon Gerard being the lowest bidder was given the contract. The old heating plant being inadequate and unsatisfactory it was decided to put in a steam heating plant. Bids were called for and three bids were received \$1,195.00, \$950.00 and \$775.00. Gedeon Pitit being the lowest bidder was given the contract.

Four serial notes of \$1,000.00 were issued at $2\frac{1}{4}\%$ to Lincoln R. Young Company, one to be taken up each year.

Hooksett, N. H., February 8, 1938

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Hooksett:

This my fourth annual report deals chiefly with changes in organization and staff of teachers, age-grade enrollment, special activities, buildings and equipment.

Re-organization and Teacher Changes

On September 7, 1937, schools were opened in the new four-room Village building with an enrollment of more than one hundred thirty children. Before the flood of 1936 these pupils were accommodated in the Number Six Village School, the Holy Rosary Parochial School, and the one-room rural school, situated on the West Side River Road. Including the parochial school, these children formerly required the services of five teachers where four are now required.

Mrs. Gertrude H. Washburn was unanimously chosen principal of the new building. She also conducts the work of the first and second grades. Mrs. Dorothy S. Allen, who was formerly in charge of the River Road School, now teaches the third and fourth grades. She also has enrolled an advanced group from the second grade. Miss Taschia M. Platek of Manchester, a 1936 graduate of the three-year junior high school course at Plymouth, was selected to teach the two intermediate grades. While in normal school Miss Platek majored in music, which she now teaches in all grades of the Village School. The two upper grades are under the instruction of Mr. Peter J. Valeska of Salem, New Hampshire. Mr. Valeska was graduated in 1935 from the three-year junior high school course at Keene. In addition to classroom instruction Mr. Valeska has charge of the boys' sports and playground activities.

Besides the changes in teachers occasioned by the opening of the Village School, one teacher change occurred in the Neal School and a transfer was made between the Martin's and Lincoln Schools.

At the close of the year in June Miss Hazel A. Clement, who had served for several years, withdrew as teacher of the primary grades in the Neal School. Her place has been filled by the election of Miss Dorothy E. Kimball of Manchester. Miss Kimball was graduated in 1937 from the

Kindergarten Elementary Course of the Leslie Normal School.

Late in March, 1937, Miss Helena F. Towle, formerly in charge of the Hackett Hill School and for several years teacher of the intermediate grades at Lincoln Park, requested release from her position to make her home in the South. This position was filled by substitute teachers until June, when the intermediate room at Martin's was discontinued and Miss Lenore C. Roberts, the teacher in charge was transferred to Lincoln Park.

By the use of the new four-room school in the Village the five transportation routes, maintained last year, have been changed to three, and the annual cost of transportation reduced from twenty-seven hundred to less than twelve hundred dollars. Sixteen pupils from the former River Road School are now transported to the Village in a new suburban carryall at a cost two hundred dollars less than the salary of an additional teacher.

Age-Grade Enrollment

As a result of recent state legislation, pertaining to transportation, a study has been made this year of the number of under-age as well as over-age children in the several grades. The following table shows Hooksett to have a much larger percentage of over-age children than appears elsewhere in the supervisory union of six towns.

Number of Hooksett Children

Grade	Under-age	Normal-age	Over-age
1	0	44	11
2	0	27	23
3	2	25	19
4	1	20	17
5	0	21	22
6	0	18	27
7	1	15	21
8	1	18	20

(Hooksett)

Totals 5 (1.42%) 188 (53.25%) 160 (45.33%)

(Union 53)

Totals 22 (2.1%) 621 (60.4%) 385 (37.5%)

Over-age pupils predominate in the four higher grades. Doubtless much of the over-ageness is due to recent changes in the schools and the absence of English as the spoken language in the homes. Certainly it is not due to a lack of

regular school attendance on the part of the children. For the Hooksett schools maintain a high rating in regular and punctual attendance. To some degree over-ageness might be eliminated by instruction in practical courses. Your new building has ample rooms for classes in domestic science and manual training. Suitable equipment, supplies, and instruction would cost approximately one thousand dollars the first year, and five hundred dollars each succeeding year.

The added expense in dollars and cents incurred by a child, who has to remain in school an extra year is approximately \$4.00, which represents the cost of textbooks, supplies, per capita tax, and occasionally transportation. Granting that practical courses might have assisted not more than 15 per cent of the 160 over-age children to advance, the cash saving thus approaches a hundred dollars. However, the educational advantage to all adolescent boys and girls would far surpass the monetary consideration.

Special Activities

I wish to commend to your attention the annual report of the School Nurse. Conditions following the flood restricted opportunity for local clinics. However, forty-one children were vaccinated by Dr. Weaver at the Town Hall and Martin's School. In the absence of local facilities, your School Nurse has transported free of cost some fifty school children to dental, eye, throat, and T. B. Clinics in Manchester and Suncook. The number of corrections secured reflects much credit on the generosity of your Nurse and the co-operation of the parents.

The local spelling contest in May was won by the Neal School. In the Union Spelling Contest, held later in Pembroke, Hooksett was represented by Yvonne Duhaime and Henry Kaffel of the Neal School and Philip LaSalle of the Village School. The Hooksett team tied for second place with Candia, spelling correctly 148 out of 150 words.

On June 18 graduation exercises were held in Community Grange Hall. Diplomas were received by a class of twenty members. Of this number fourteen have entered high school or academy.

Recognizing the increasing danger to which children are exposed on the public highways and appalled by the number of fatal injuries to children within our state, the Police and School Departments have assisted in forming a School Traffic Squad. In the Village an organized group of traffic scouts, under the supervision of their teacher, Mr. Valeska,

now direct all pupils who leave the school grounds on foot, accompanying them as far as the Post Office and to the foot of Granite Street. The Police Department is willing to furnish similar traffic scout regalia to any school in Hooksett whose pupils are required to use highways that carry heavy traffic and whose teachers and pupils will agree to maintain a School Traffic Squad.

This year your teachers joined with some thirty others from neighboring towns in a study of the standards used in marking and reporting pupil progress in both habits of social adjustment and school subjects. As a result a more intimate and specific type of report has been adopted in the first and second grades. This follows closely the form in use in the primary grades of Grosse Pointe, Michigan. Parents are asked not only to examine and sign these reports but also to indicate and return to the teacher their personal observations and suggestions. For grades three to eight a completely new form of report card has been prepared and adopted. The system of marking allows more emphasis to be placed upon the improvement in the individual's achievement than on a mere comparison of the individual with the achievement of the class. The use of such report cards anticipates that during the year at least one visit will be made by the teacher to each home represented in her school.

Buildings and Equipment

Formal dedication of the new Village Building took place on October 19, 1937. Mr. James N. Pringle, State Commissioner of Education, was the chief speaker of the evening. The Commissioner emphasized the intimate relations which a better understanding of objectives develops between communities and their schools. Other guest speakers were Mr. James Cash, representing the Public Works Administration Office in Concord, and Mr. Paul E. Farnum, Administrative Field Agent for the State Board of Education. Mr. Eugene S. Head, in behalf of the School Board, received from Mr. Carl E. Peterson, architect, the keys to the building. Mr. Head generously attributed to his two colleagues on the Board, Mrs. Erma E. Mitchell, Chairman and presiding officer of the evening, and Mr. Forrest W. Evarts, and to other federal, state, and town officials the major credit for the completion of Hooksett's most modern school plant at an actual cost to the townspeople of only eighteen thousand dollars.

The total cost of land, building, and equipment exceeds thirty-nine thousand dollars. Yet through the receipt of

state and federal flood damage and a P. W. A. grant of fourteen thousand four hundred forty-one dollars, Hooksett has made provision for the children of two village schools at a cost to the taxpayers of only one building.

Not only are we indebted to government agencies for modern equipment throughout but also to local organizations and individuals for additional facilities. Your Board of Trade has added much to the setting of the new building by the gift and erection of a metal flagpole on the grounds. The presentation of a Chickering piano by the late Sally Head Gault of Manchester is most appreciated by the children of all grades and particularly by the music teacher. It has already added much to the pleasure and effectiveness of the music instruction.

Several pieces of furniture have been contributed to equip the teachers' room. Among these is a desk recently given by the Emerson Manufacturing Company.

Through the efforts of Mr. Head, a new "Hot-Point" electric range of recent model has been installed in the domestic science room by the Public Service Company of Manchester.

During the summer the three-room building at Lincoln Park was re-roofed with asphalt shingles. Access to adequate coatroom facilities in this building would be much improved by cutting a doorway through the partition between the front corridor and the primary room. The re-finishing of the ceilings to secure better reflection of light in all three classrooms should receive early attention.

The recent installation of electric lights in the Neal School could not be more highly appreciated than it is by pupils, teachers, and even by the community. Through the kindness of Mrs. Thomas Luby of Manchester a piano was recently placed in the primary room.

In Conclusion

I wish to express my sincere thanks to the numerous donors who have generously contributed facilities which add to the refinement and enrichment of the school life of your boys and girls.

In all your schools I find the teachers efficient, and alert to professional growth in service. I am sure they deserve and retain the confidence of their communities.

Respectfully submitted,

GEORGE H. HARMON,
Superintendent.
